Used-car comparison worksheet

Compare exact vehicles and dated written quotes. Write 'ask' for unknowns, not zero. Use the same time period for running costs and confirm availability before a viewing.

Budget / must-have features: _____

Compare / confirm	Vehicle A	Vehicle B	Vehicle C
Year / make / model / trim			
VIN / stock / listing date			
Kilometres			
Asking price (CAD)			
Written total with taxes / fees			
Passengers / cargo fit			
Confirmed equipment			
History / inspection findings			
Included tires / keys / coverage			
Immediate work and cost			
Insurance / fuel / maintenance			
Open questions / next step			

This worksheet does not calculate a payment or recommend a finance product. Use the actual written purchase and financing documents for a decision.

Questions to resolve / next step:
